

Dear families,

We are delighted to welcome you all back after the summer break. A special welcome goes to our new families who are joining us this year – we are so pleased to have you as part of our school community.

This term, our school value is **RESPECT**. Over the coming weeks, we will be exploring what respect looks like in our classrooms, around school, and in the wider community. We encourage you to continue these conversations at home too, as together we help our children grow into thoughtful and respectful individuals.

We have an exciting term ahead with lots of opportunities for families to get involved in school life:

Meet the Team – an opportunity for parents in **Chestnut and Oak Classes** to meet staff, find out more about routines, and ask any questions.

Stay and Read Events – we look forward to welcoming you into school to enjoy reading together.

Safety Drills – this term we will be holding our statutory fire drills and a lockdown practice to ensure that all children are confident and prepared in the event of an emergency.

Class-led Worships – we are delighted to introduce these this year. Our first will be led by **Oak Class** on **Friday 17th October**, and all Oak family members are warmly invited to attend.

Please see the diary dates section at the end of this newsletter for full details of these events.

We are very much looking forward to an inspiring and successful term ahead. Thank you, as always, for your continued support.

With warm regards,

Mrs Sarah Netto

Christian Values

Each half term we focus on a Christian Value, this term it is **Respect**.

'Do to others as you would have them do to you.' (Matthew 7.12)

Parent Communications – A Friendly Reminder

We'd like to kindly remind parents and carers of the best ways to communicate with the school.

If you have any questions, concerns, or would simply like to talk something through, the most effective way is to contact the school directly. We're always happy to help and are committed to working in partnership with you to support your child's wellbeing and learning.

While platforms such as WhatsApp or social media can be helpful for general parent-to-parent chats, they are not appropriate for discussing sensitive or school-related issues. Messages shared in these forums may not remain private and can easily be circulated more widely.

We respectfully ask all parents to take care when posting or commenting online. Please consider whether the information is accurate, necessary, and in line with the respectful and inclusive values of our school community. In some cases, sharing false or harmful information online can have legal consequences.

Thank you for your continued support in helping us maintain a positive and respectful school environment.
