Dear Parents and Carers,

We The Curious School Trip Friday 6th March 2026

We are excited to announce an upcoming whole school trip to We The Curious in Bristol on Friday, 6th March 2026, in collaboration with Shipham First School. This trip aims to engage and inspire our children about science as we kick-start Science Week.

We The Curious is Bristol's renowned science centre, featuring over 200 interactive exhibits that explore fascinating topics, from bubbles to brains, rainbows to robots, and tinkering to tornadoes.

The cost of the trip is £17.50, which covers both coach travel and entry to the museum. We kindly ask that parents and carers make this contribution via MCAS by Friday, 27th February. When processing the payment, please ensure you also provide consent for your child's participation in the trip.

For Chestnut and Oak Class, please provide a named rucksack that your child can carry, containing a lunch box and a drink (non-fizzy and no sweets, please). For Willow Class, a packed lunch and a water bottle will be required, and we will have a designated storage space for their items.

All pupils are expected to wear their school uniform and a warm coat. Additionally, please send any required medication in a named bag, accompanied by a completed medicine form, and ensure that a member of staff is informed. These forms are available from the school office. If your child is prone to travel sickness, please administer the necessary medication prior to the journey and complete the medicine form for any additional medication needed for the return trip.

We plan to leave the venue in time to return for the usual pick-up time.
